

Personal Tax Tutorial FA2020

Corrections

Page 8.24 Question 5.7

In the answer to activity 5.7, the calculation of tax on dividend income should equal £975, not £1,300. The other figures, including the tax liability are correct.

Page 8.5, question 2.2

Insurance 5 months @ £30 is showing as £125, not £150, but the overall total is correct
